COSMETOLOGY

Cosmetology study is a process by which you can become a trustworthy professional who provides safe and effective services to your clients that enable them to look and feel better.

As a cosmetologist you will be a trusted professional so your clients will rely on you to provide them with on going services. You want to be able to make them look and feel their best.

This class provides you with the information you will need to pass the license exams as well as the most contemporary techniques to ensure you success once you are on the job.

The classes will cover:

- Cosmetology Sciences
- Hair Care
- Skin Care
- Nail Care
- Salon Business

The required textbook, which includes a CD, is Milady's Standard Book, is designed to reinforce classroom learning and to help students prepare for the Board Exams.

Pre-registration requirements include a high school diploma, a GED, or a TABE Test score at 8th grade reading and language levels.

In approximately 2 years, students can complete this 1200 hours night school course and pass the Florida State Board Cosmetology licensing exam. To graduate, students must meet all attendance, assignments and practical laboratory course requirements of which 26% consist of technical instruction and demonstration. The balance of the course consists of laboratory experiences during which students develop and use cosmetology skills under the supervision of licensed instructors.

Cosmetology Program

This a lecture-lab course in which topics are presented by the instructor. Practice demonstrations are explained and examples are assigned and are to be completed by the students during lab periods and outside of class.
